The Council has received further information in support of the application described above and you are invited to comment on the application before a decision is made. If you wish to comment, please note the following points:

The additional supporting documents are now available through the planning pages of the Council's website at **www.hounslow.gov.uk/planning**

Hard copies of these documents **will not** be kept at the Civic Centre. You can find this application by clicking on 'search planning applications' and entering the planning number shown at the top of this page (or by entering the relevant postcode) into the planning application search facility. Comments on this application can be made directly from these pages on the web.

If you wish to discuss the application, or make an appointment please email the case officer at Stephen.Hissett@hounslow.gov.uk Objections can also be sent directly to the officer in the same manner.

Comments must be received in writing within 21 days of the date of this letter. Comments received after this date will still be considered if a decision has not been made.

In deciding whether to make any comments on the application, you may wish to take into account the following advice on what are relevant PLANNING considerations which the Council can take into account in making a decision to grant or refuse planning permission:

1. Any planning application has to be evaluated against the Council's planning policies, which are set out in the Unitary Development Plan which is available on the Council's website:
http://www.hounslow.gov.uk/index/environment_and_planning/planning/planning_policy/udp.htm There is a presumption in favour of applications which comply with the Plan
2. The Council also has a number of other adopted guidelines against which relevant planning applications have to be judged, such as guidelines on House Extensions. Copies of these documents are available for inspection on the Council's website:

http://www.hounslow.gov.uk/index/environment_and_planning/planning/planning_policy/udp.htm

3. Other planning matters such as overlooking, loss of light, visual appearance and traffic and parking will be taken into account. These planning matters do not include matters to do with loss of property values, the personal circumstances of the applicant (except in certain exceptional cases) or property boundary disputes.

An acknowledgement will be sent for all objections received via email through the website. Due to the large volumes of correspondence received in connection with applications, no other communication will be sent. All comments will be taken into account in the assessment of the application. If the application is to be recommended for refusal, or objections are made against an application, this application is then placed on a weekly list called Pending Decisions, posted on the council website at the end of the working week.

http://www.hounslow.gov.uk/index/environment_and_planning/planning/pending_decisions.htm

Councillors can ask that applications on this list be referred to Area Forums for discussion, giving planning reasons why they are making this request. The Area Forum will decide whether the decision to approve or refuse the application should be made by Planning Committee, or by planning officers. Should the application be reported to Committee for decision and you have made written representations, we will notify you of the date of the committee meeting.

You can follow the progress of this application by clicking on 'search planning applications' and entering the planning number shown at the top of this page (or by entering the relevant postcode) into the planning application search facility. Decisions on planning applications can be found from viewing the weekly lists of decisions.

If this consultation letter is about a householder application, in the event of an appeal against a refusal of planning permission, which is to be dealt with on the basis of representations in writing, any representations made about this application will be sent to the Secretary of State, and there will be no further opportunity to comment at appeal stage.

IF YOU ARE NOT THE OWNER OR SOLE OCCUPIER, please note this information and pass this letter on to anyone who you think:

- may have an interest in this property
- may be affected by the proposed development.

Plans are available for inspection at Osterley and Hounslow.

Osterley: 020 8560 4295

Hounslow: 020 8570 0622

Yours faithfully
